

The 50 Fonteria fonts were made in the nineties when Manfred started to play with digital type. This compilation was intended to be distributed commercially, but somehow it came to nothing. So Manfred decided to distribute the collection as free fonts «for private use only.» In 2001, Fonteria CD was produced. It had these creations: Artist, BodoniTwinsCaps, Caslonia, CircusOne through CircusFour, Clown, CrazyTimes, Emmenthaler, Ermir, Erpressung, FloRaTialen, GaraInitials, GaraSans, Imre, Jockey, Jonas, KL16GridZebra, KL1MonoSansInvers, KL1MonocaseSerif, KleinsDancingSlapzerif-Light, Laurens, LernschrittABC, Mighty, MightySpecial, MirrorKleinShadows, MonoAlphabet, MonoAlphabetSerif, Monument, Mutoni, PfeileOne through PfeileThree, Pointout, RootsOfMatisse, SMHand, SaltoOne, SaltoTwo, SonnCar, Steamdecor, StonageStamp, Stoneage etc.
